Bringing back the
Time . . .
What is time? The shadow on the dial, the striking of the clock, the running of the sand, day and night, summer and winter, months, years, centuries, these are but arbitrary and outward signs, the measures of time, not time itself. Time is the life of the soul. –Longfellow

Age of Aquarius—May 1, 1971

On May 1, 1971, the Juniors honored the Seniors with the Jr. -Sr. Banquet. Our theme was "The Age of Aquarius." After the delicious meal, our Toastmaster, Daryl Proffitt, introduced many people on the program. Our grand finale was the entertainment presented by the Madrigals of Glasgow. All of the planning and hard labor made the banquet our most memorable event of 1971.

Teachers Retiring in 1971

Thirty-eight years of teaching-six in the rural schools of Monroe County, nine in Barren County Rural Schools and twenty-three years at Temple Hill Consolidated School-is Mrs. Raymond Lawson's record of service. For the past twenty-one of these years Mrs. Lawson guided first graders in their learning activities. She retired in May, 1971.

Mr. Millard Richey retired in November, 1971, after having taught in Barren County Schools for thirteen years. He taught sixth grade at Temple Hill for a little more than two years.

The faculty and student body at Temple Hill want to express our deep gratitude and appreciation to Mrs. Lawson and Mr. Richey for their dedication to teaching, for their lasting influence on the lives of the students and for the contribution they have made to our community.

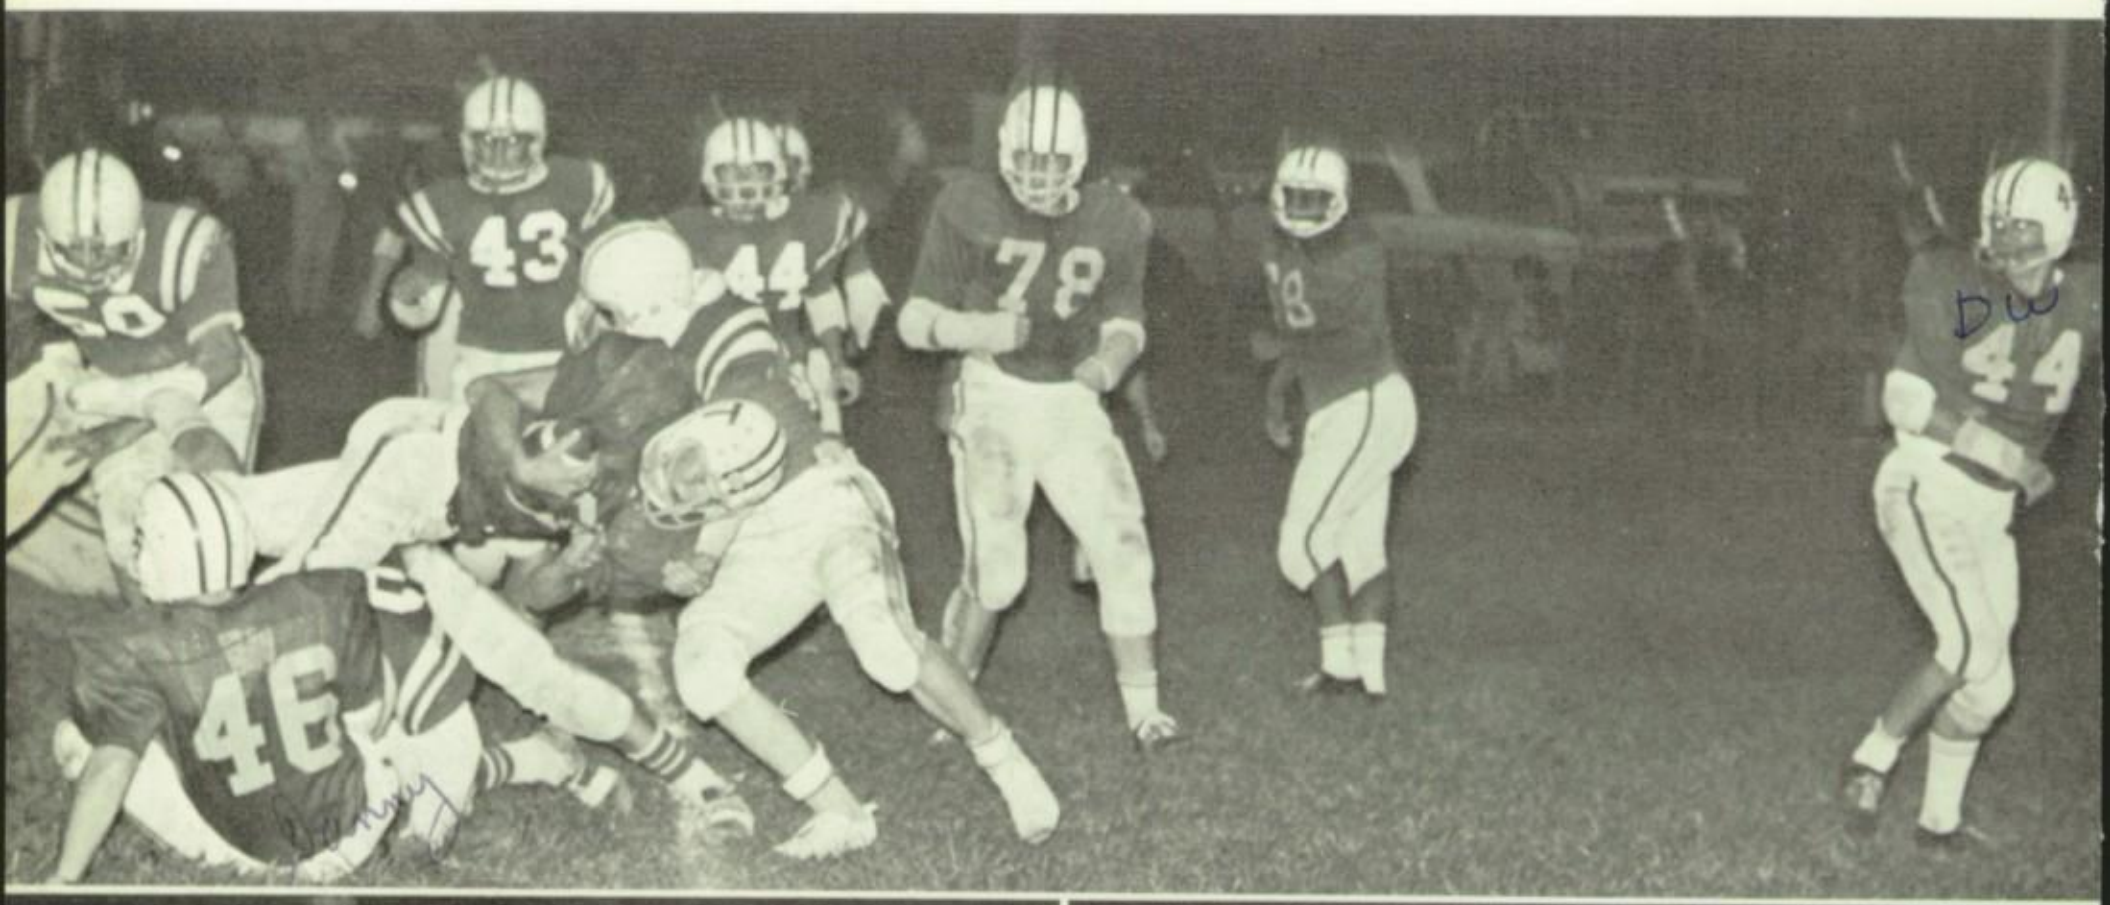
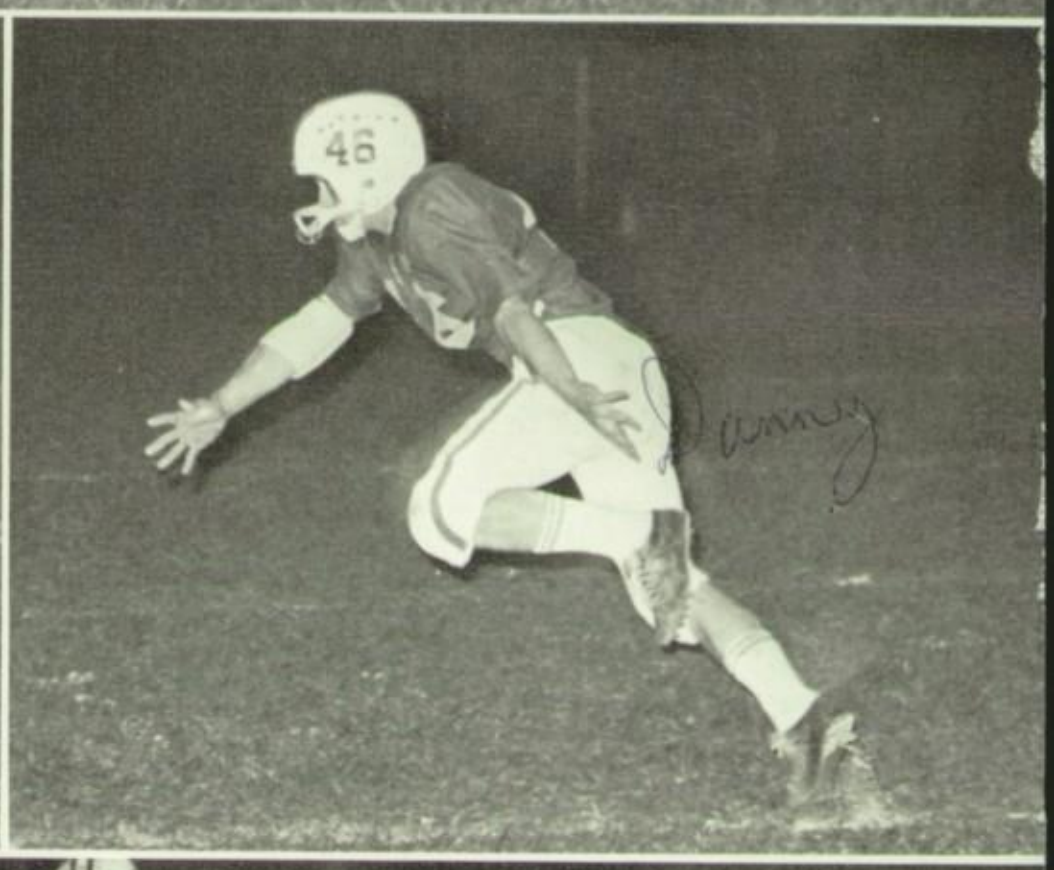
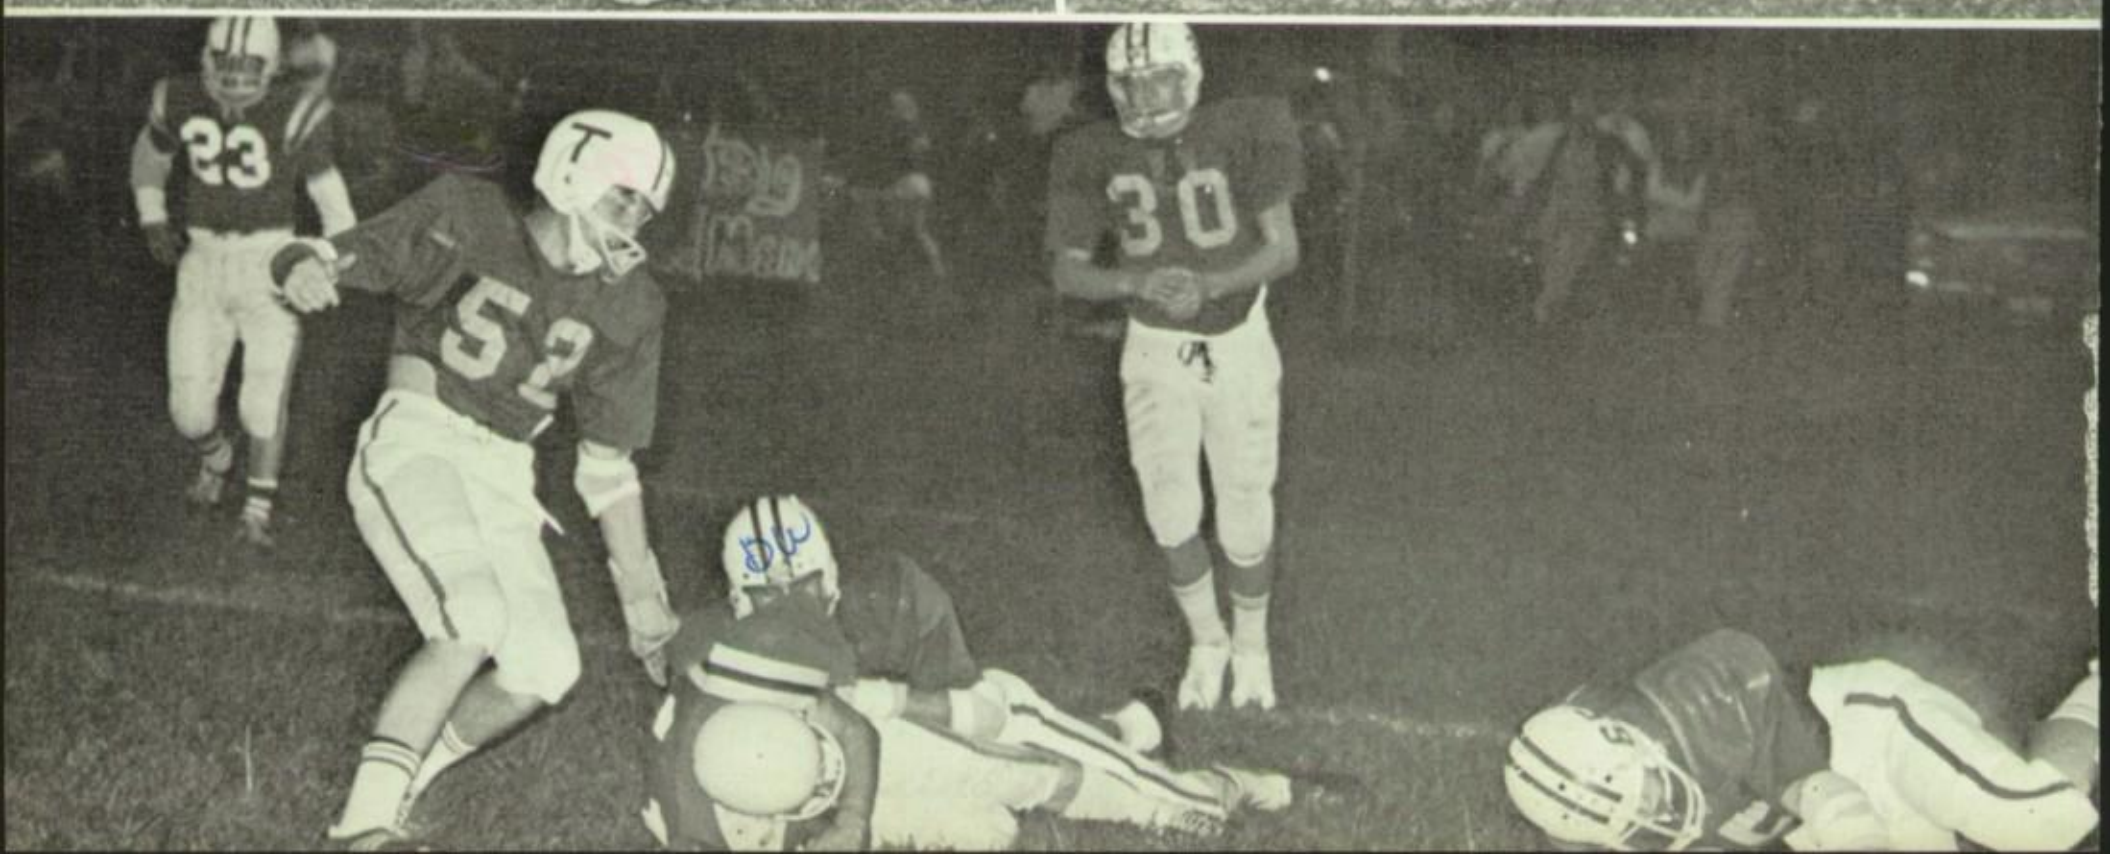
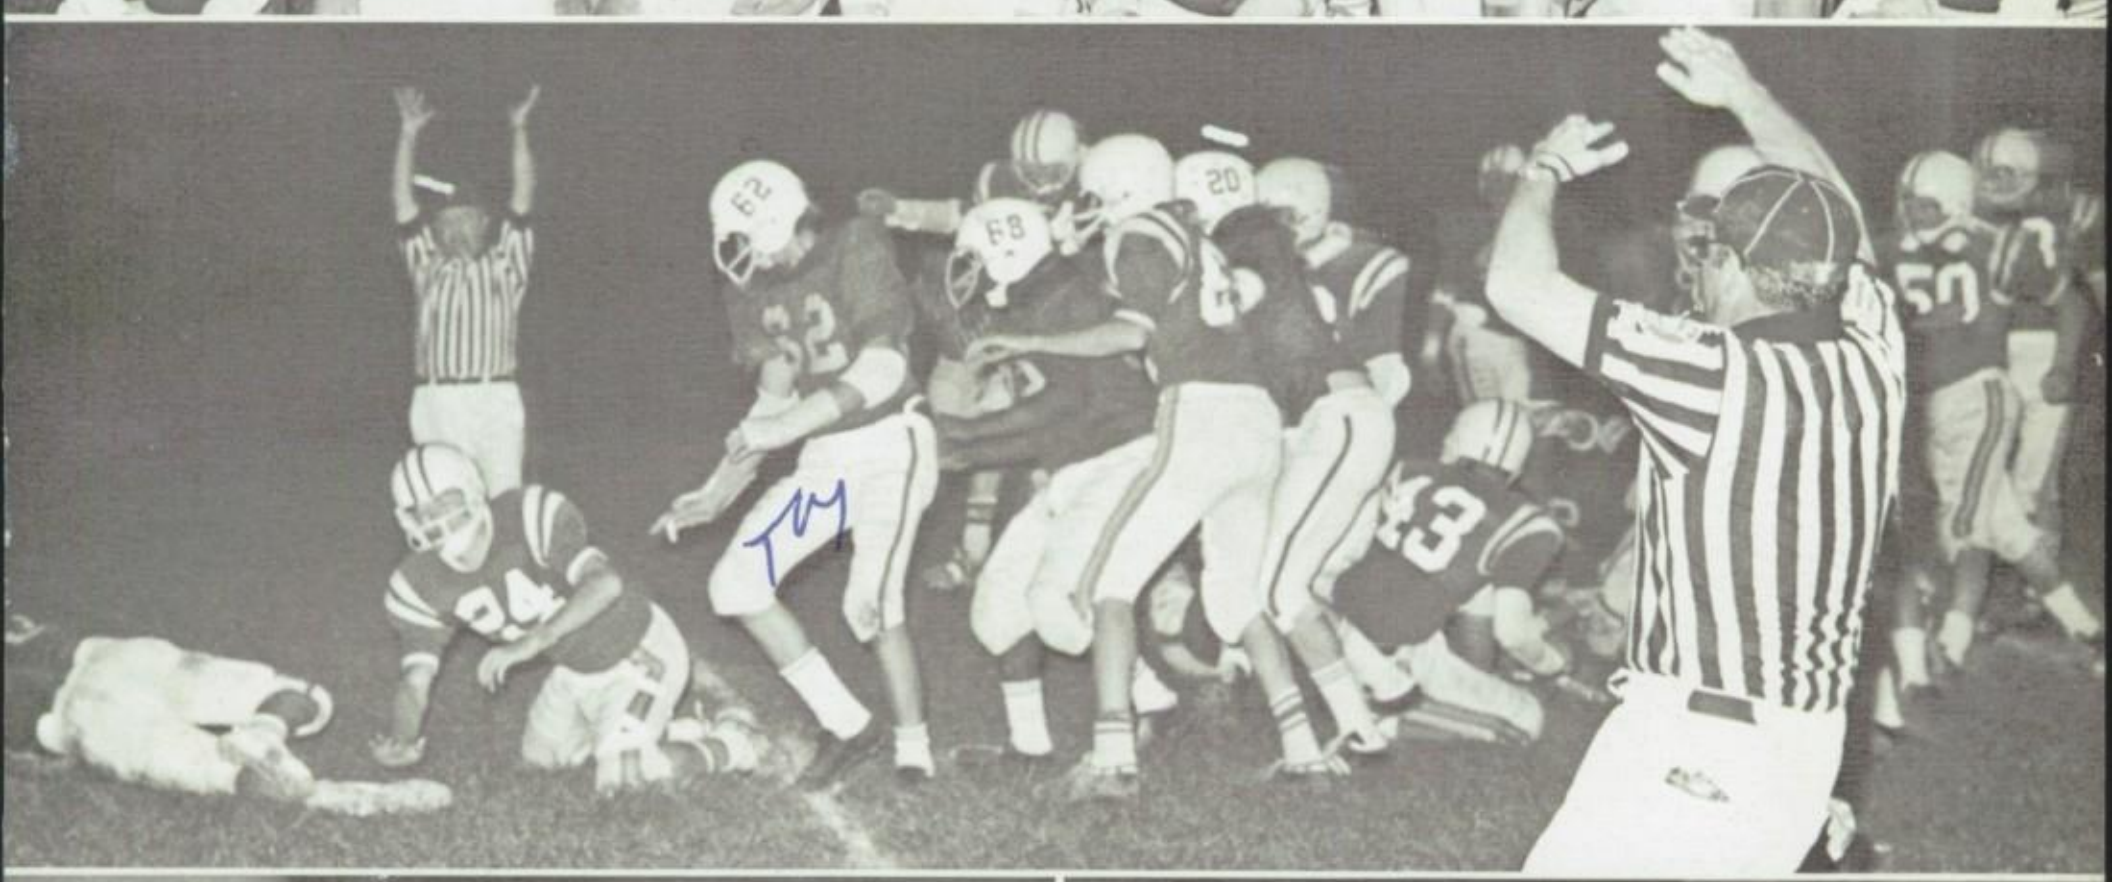
Competition:

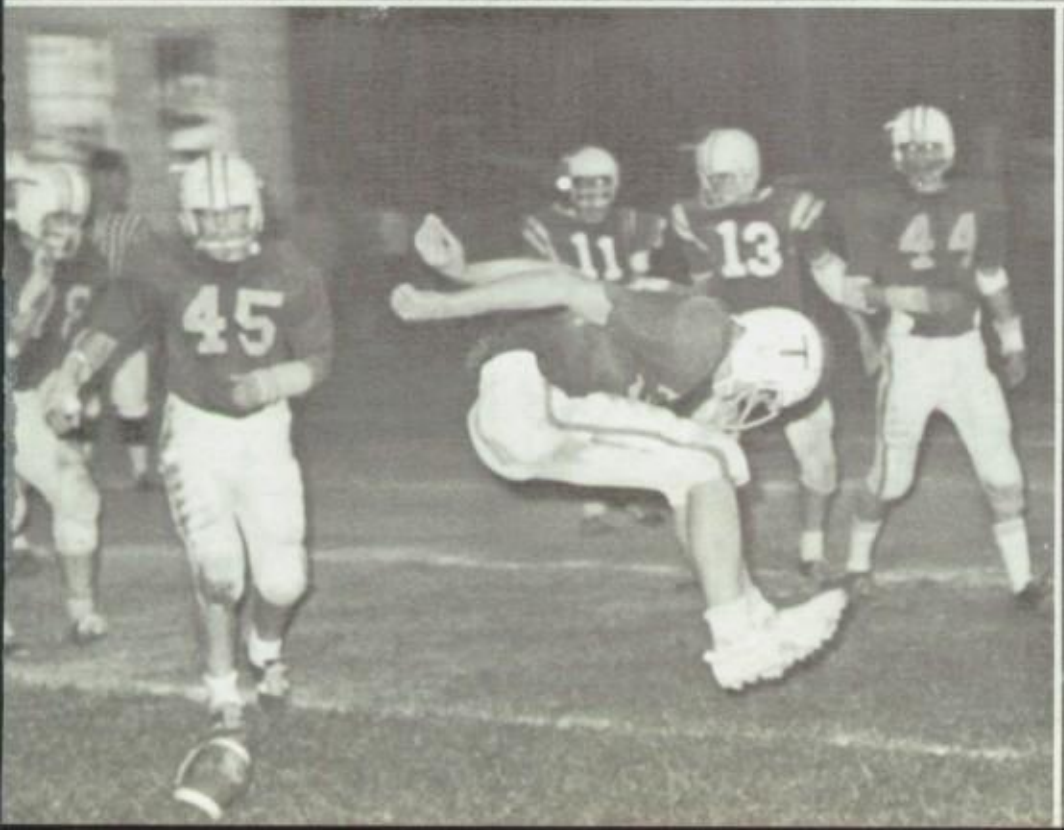






Tough on the Gridiron





Young Gridders Build for the Future

In 1971 another milestone was accomplished in the history of Temple Hill High School. 1971 marked the first year for eleven-man football at Temple Hill. The season ended against varsity competition with four wins and four losses.

BULLDOG SCORES

Temple Hill	2	Park City	18
Temple Hill	6	Meade Co.	25
Temple Hill	18	Gamaliel	0
Temple Hill	6	Greensaburg	20
Temple Hill	20	Hart Co.	14
Temple Hill	36	Edmonson Co.	0
Temple Hill	16	Butler Co.	45
Temple Hill	41	Gamaliel	14

For the first season of eleven-man football we, as coaches and players, considered it to be a very good season. The 13 Seniors on the team will be missed next year, but their contribution as a part of the 1971 Temple Hill football team will still be evident during the upcoming 1972 season.

J. V. Football was also started at Temple Hill in 1971. The J. V. Football program will better prepare the boys for varsity play as the squad is made of boys in grades seven through nine. The J. V. Football program was a complete success as the record showed three wins, three losses, and three ties.

HEAD COACH--JIM FAULKNER

After a 27-3 record last year this team seemingly had a most difficult act to follow. Although the regular season thus far has not provided as many victories as last year, this year's team has captured the fancy of many basketball fans throughout our area.

This group of young men have dedicated themselves to the past season play. Every experience that they have been sharing is making them a better and more close k...t group.

With the loss of four starters from last year's team, the accomplishments made by this group of fine young men has been truly remarkable. To make the future even brighter is the fact that next year most of these players will be back again to wear the scarlet and gray.

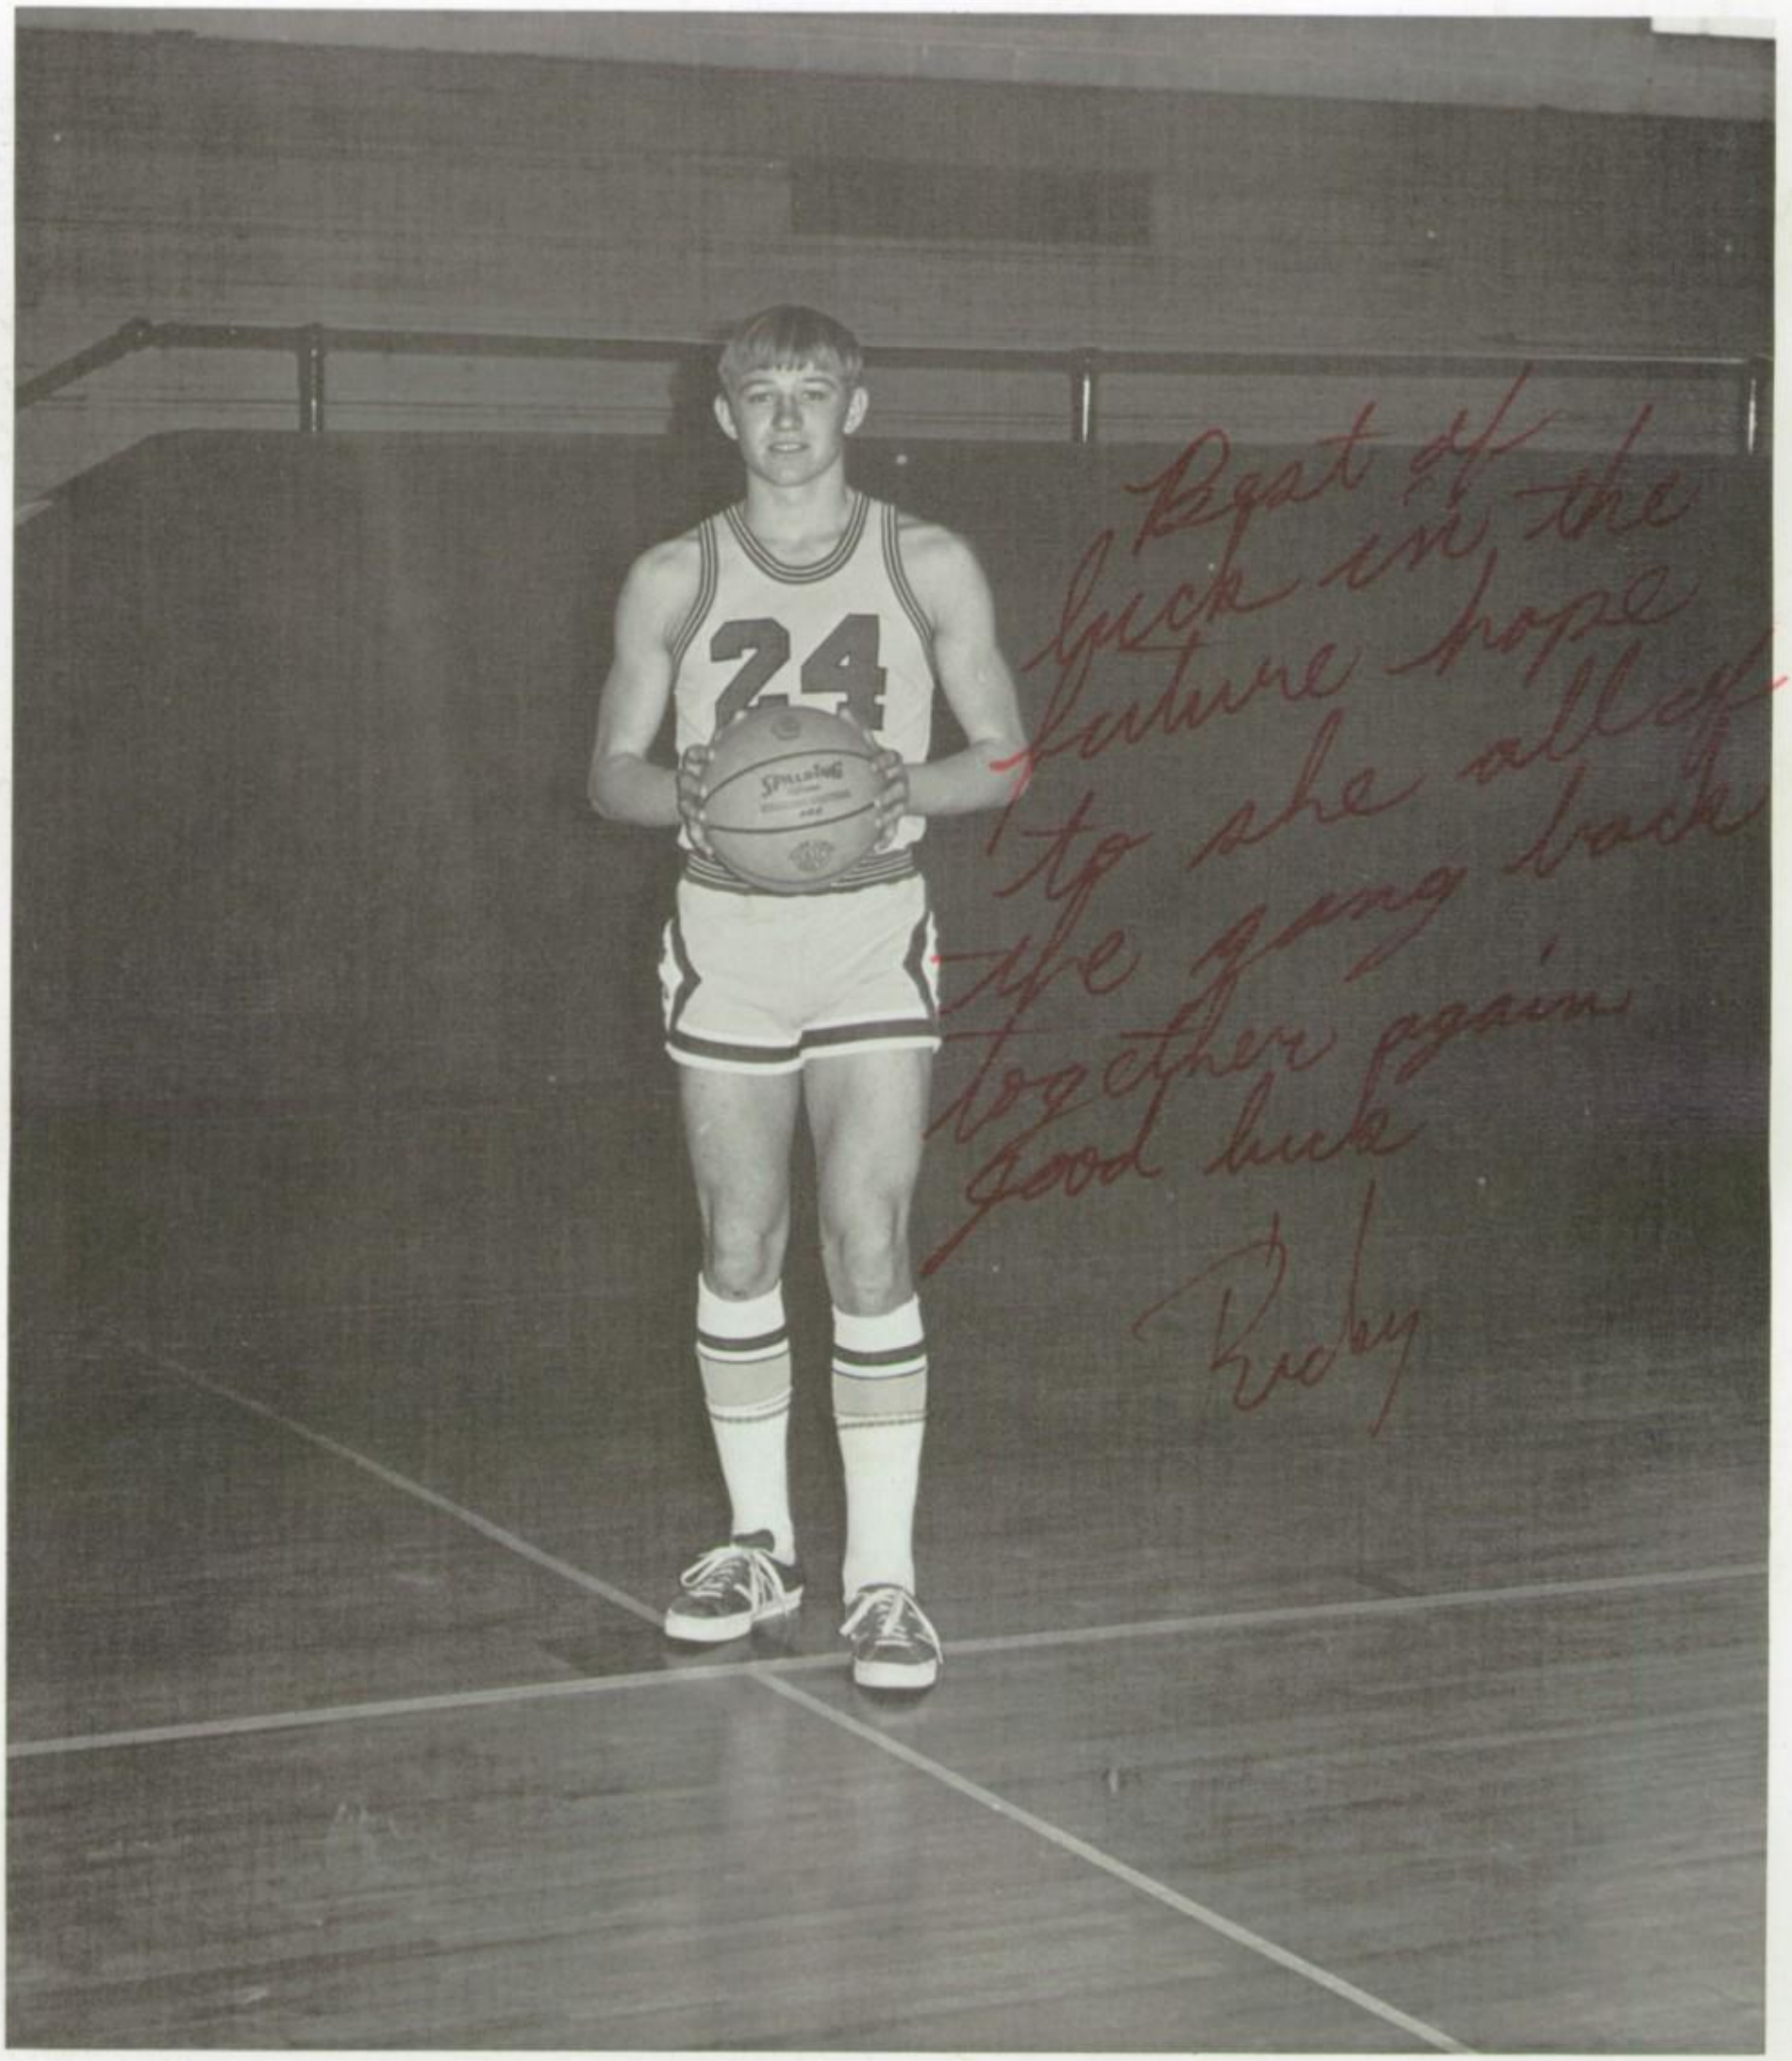
Mr. Basketball



Mr. Basketball has been an outstanding performer not only in the field of athletics but also in the classroom as evidenced by his being a member of the Beta Club. The final choice of Mr. Basketball was left up to the Varsity Basketball Team, and for the first time in many years the choice was unanimous. He has served as an inspiration to his fellow teammates and coaches with his desire, pride, and hustle on the basketball court. This year's Mr. Basketball goes to a most deserving young man, Ricky Martin.

Cheerleaders Rate Superior at Tenn. Tech

This year for the first time, our Varsity Cheerleaders attended the Tennessee Tech. Cheerleading Camp. To raise money for the trip the girls participated in many activities. They operated a dunking machine at the fair, sold chances on a turtle, washed cars, and had a variety show. In 4 days of competition our girls received three superior ribbons, one outstanding ribbon, and their biggest win was being the recipients of the"Spirit Stick." The girls would like to say "Thanks" to their enthusiastic sponsors, Miss Ford and Mrs. Hudspeth.

Oh how I will never forget the fight that you and Mary Peden had in the sixth grade you two were like old fighting roosters. Remember Russ and who was gonna run around with him. I remember in the fifth grade when Mrs. Curtis made you stand in the corner and you told her Oz and she said Cindy has a lot of temper.

Remember the morning you called up here at school and told Mr. ____ about me having to go down. Ron Patricia went to. I never will forget this. Oh that was done I guess there is a whole lot more I have put down but I can remember it and I don't guess I can put it down. Oh Yeah. Remember me & you calling Danny & telling him that we was gonna have a party at your house he didn't know me but he knew you.

Well it's time we have to face the future and it will be hard for some. Cause jobs are so hard to hold. As the old saying is. The Road is hard but don't make it any harder. Our fun is over.

Cindy may we still continue being friends and try to keep in touch with each other. You better write me when you go to College I want you to learn all you can. Remember I'll always be your friend forever. Love you forever. Ron

And I will always remember a nice girl like you. Hope your Eighth Year will be your best. Love always Donnie

Cindy,

Our school days are about over and I will be glad in a way and in a way I won't. Rem all the good ole times we've had here at Temple Hill. Rem all the ballgames how could you ever forget those. Rem the time Charlie caught us in that room upat school. Remember who you went outside with Danny Lowe. Also remember when Steve Richey wanted you to sit with him on the B Co. bus. And rem. Steve was in there & Steve K kissed you and I was afraid that he was gonna kill me & I got out said I had to go get Patricia. What a lie. Rem all the great times on the old school bus at the away ballgames Steve Richey & Marty Shirley. We was so crazy over them 2 boys. We were really crazy. Rem the night I come home with you & we went to Scottsville ballgame on the bus & you set with Steve & rem Marty & I. Remember the time I really did like Marty & he was trying to impress me. Rem the time I really did like Marty & he was trying one day after school & I almost got left up here. I wish I had he could have taken me home. Oh I forgot the time I come home with you, Rem Steve H brought around town and went out the car & Dottie's and Donnie got the car. And we got home that night about 11:30 or later and we stayed up till 3:30. Don't you wish that Donnie could have come out there. I remember you said everything would of worked out OK. Now I don't know though. I thank a lot of you & love done you dearly. I would tell him if I was you. We have done so many things together (over)

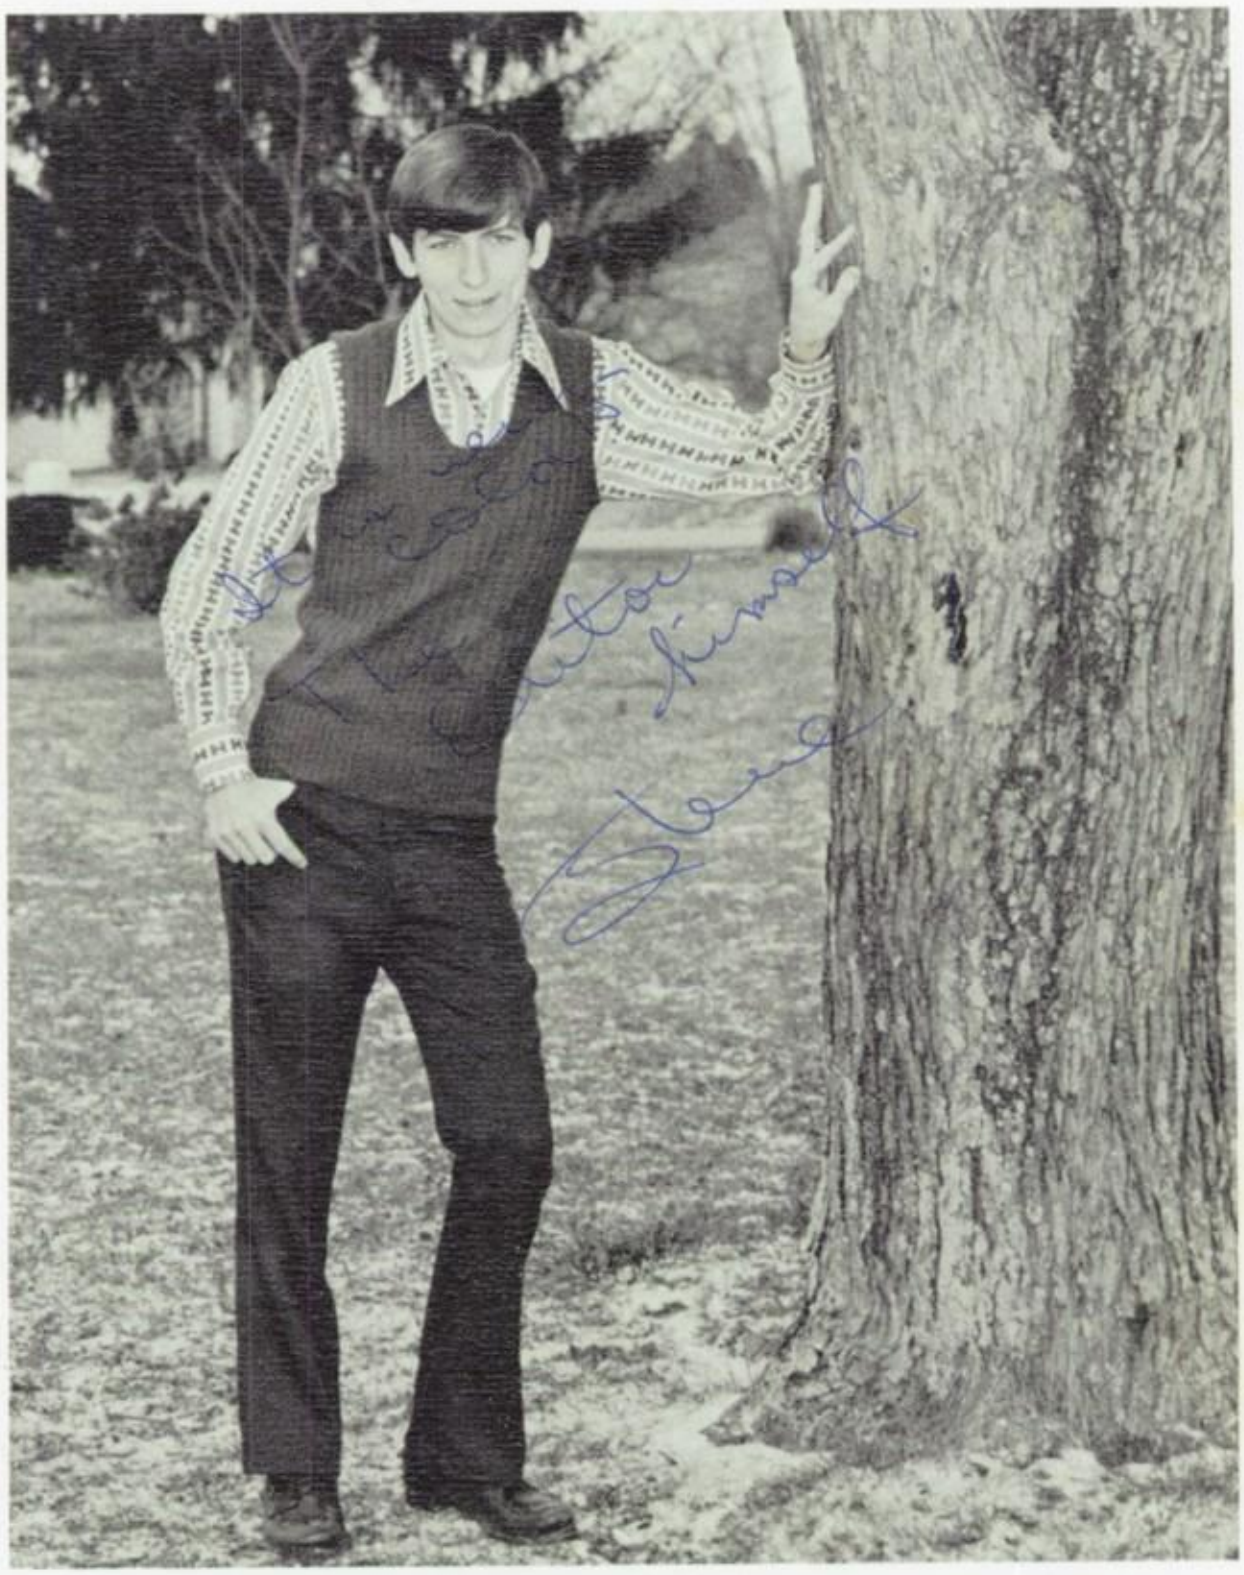
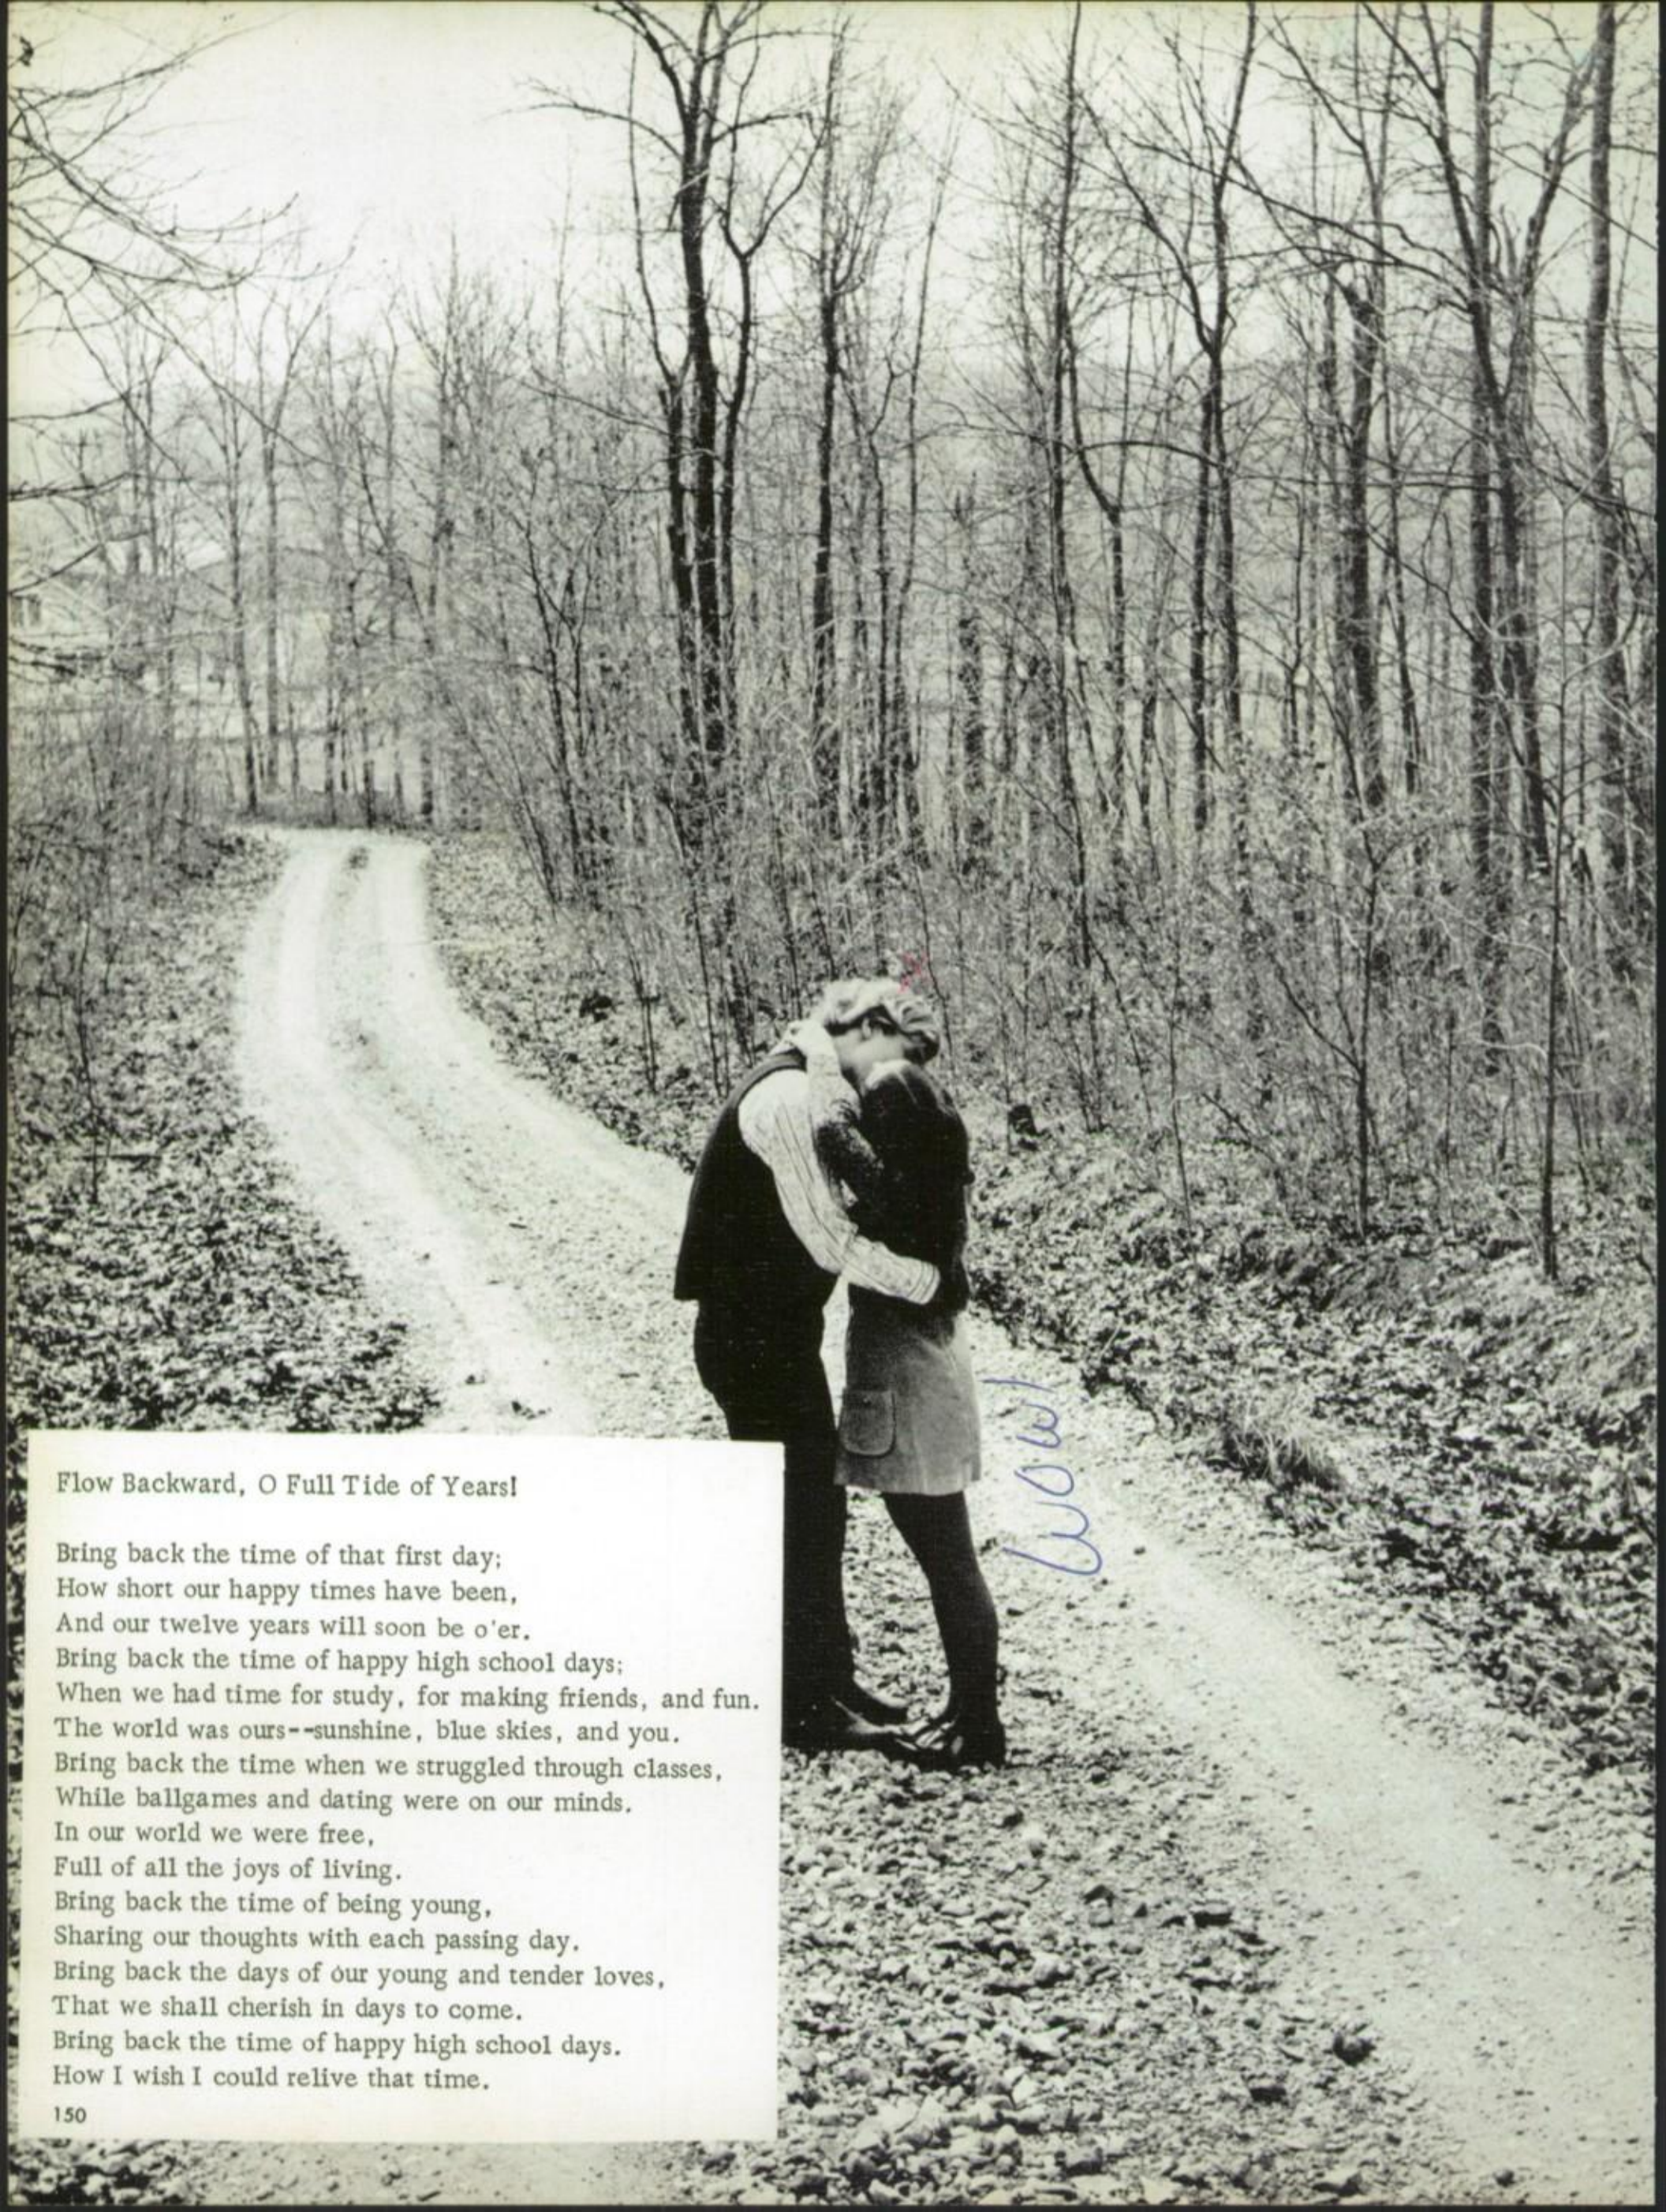
From the Editor



We the people of the Accomplishments Staff have captured the year in a book of pictures and writing. You the people who peruse these pages must add the life, the feeling, and the stirring of your memory. Look back upon this school year of '71-'72 as a great one of association with friends who made it so.

Editor Steve Hunt



Flow Backward, O Full Tide of Years!

Bring back the time of that first day;
How short our happy times have been,
And our twelve years will soon be o'er.
Bring back the time of happy high school days;
When we had time for study, for making friends, and fun.
The world was ours--sunshine, blue skies, and you.
Bring back the time when we struggled through classes,
While ballgames and dating were on our minds.
In our world we were free,
Full of all the joys of living.
Bring back the time of being young,
Sharing our thoughts with each passing day.
Bring back the days of our young and tender loves,
That we shall cherish in days to come.
Bring back the time of happy high school days.
How I wish I could relive that time.
